

The 2022 NHCAA Excellence in Public Awareness Award

Deadline for Nominations: July 15, 2022

(Note: Nominations will be accepted beginning on June 6, 2022)

NHCAA invites your recommendations for consideration for the 2022 NHCAA Excellence in Public Awareness Award. This annual award is bestowed upon an individual or an organization who has, through their work, contributed positively toward public awareness of health care fraud. Selected by NHCAA, award recipients help bring to light the destructive impact health care fraud has on our nation's health care system and citizens, and highlight the importance of combating it. Past winners include members of the media—print as well as television—as well as other non-media organizations whose exemplary efforts have helped raise health care fraud awareness.

Eligibility

Candidates for the 2022 NHCAA Excellence in Public Awareness Award may be individuals or organizations. The publication, broadcast, production, program, work or other activity to be honored must have occurred, at least partially, during calendar year 2022.
