Attend our speaking session on Tuesday, November 7 at 10:50 am as we discuss:

- How a prepay solution coupled with machine learning provides early detection of FWA
- How to execute prepay investigations with meaningful financial impact
- How combined prepay and postpay investigation creates better collaboration with payment integrity counterparts

Grab a lapel pin at the start of the session. Show this at the Cotiviti booth **(#412)**, and you'll be entered into our MasterClass™ raffle! While you're there, play Cotiviti Connections to receive an eco-friendly water bottle and support North Texas Food Bank.*

*Open to non-vendor health plan attendees only; giveaways and raffles are limited to one per attendee. The MasterClass name and logos are trademarks and service marks of MasterClass.
