Stop Fraudulent Billing and Start Saving More with MedReview

Headquartered in the financial district of New York City and serving all U.S. states and territories, MedReview has been a leading provider of payment integrity, utilization management and quality surveillance services for more than 40 years.

A physician-led organization with a passion for ensuring that health care claims fairly represent the care provided, MedReview provides timely independent hospital billing audits and clinical validation reviews on behalf of health plans, government agencies and Taft-Hartley organizations, saving millions of dollars for clients each year.

While most offer DRG reviews, MedReview goes further by conducting clinical validation. Every claim we reassign is reviewed and approved by a board-certified physician, which is why 95% or more of our reassignments are upheld at appeal. Stop paying too much for healthcare with physician-approved payment integrity from MedReview.
