A Virtual Training Program

June 3 - 14

Program Set Up

This is a hybrid training, which mostly involves watching pre-recorded presentations. There are two live sessions and one live networking event scheduled. Participants must participate in at least 15 of the sessions (includes live and on demand content) to earn credit. The networking event is not required.

Set aside about 2 hours per day to complete the program. You may watch the on-demand presentations in any order, but NHCAA will publish a recommended agenda to help guide you through the program to ensure you have time to watch all the available content by close of business on June 14.

Videos and corresponding materials will be posted on our program website on June 3 after the live program introduction and case study session have concluded. Note, these recordings are for the registered participant. This content was not designed to be shared or streamed with others.
