## NEW PLATFORM FOR ON-DEMAND & VIRTUAL TRAINING

NHCAA Learn offers members a single location to view, register, and access training programs. Available content will expand to include self-study content, a library of research and white papers from our valued members, and on-demand education. Advantages of this new system include:

- Access training at your convenience.
- Learn at your own pace.
- Earn credits and print certificates.
- Continue learning when travel budgets are limited.

### WEBINARS

Employees of member organizations can access a new complimentary on-demand webinar each month on NHCAA Learn.
