

Schemes for Health Care Fraud Investigators & Analysts A Virtual Training Program May 5 - 15

Program Set Up

This is a hybrid training, which mostly involves watching pre-recorded presentations. In addition to approximately 8 pre-recorded sessions, there are 6 live sessions, and 1 live networking event scheduled. Participants must participate in at least ten of the sessions to earn credit. The networking event is not required and does not count toward earning credit.

Set aside about 2 hours per day to complete the program. You may watch the on-demand presentations in any order, but NHCAA will publish a recommended agenda to help guide you through the program to ensure you have time to watch all the available content by the end of the day on May 15.

Videos and corresponding materials will be posted on our program website on May 18. Note, these recordings are for the registered participant. This content was not designed to be shared or streamed with others.
