EXHIBITOR REGULATIONS

All exhibits and exhibitors are subject to the following regulations. The words “Management” and “The NHCAA Institute” herein refer to The NHCAA Institute for Health Care Fraud Prevention.

EXHIBITION OBJECTIVES

The Anti-Fraud Expo is a practical, professional adjunct to the sessions held during The NHCAA Institute Annual Training Conference. Exhibitors are expected to display their products and/or discuss their services with awareness of the professional and practical needs of attendees. Management reserves the right to refuse space to any applicant that, in the opinion of The NHCAA Institute, is unlikely to contribute to the overall objectives of the Conference.

EXPO CONTRACTOR

Alliance Exposition Services

Phone: 888.528.2011

Email: ExhibitorAssistance@alliance-exposition.com

BOOTH ASSIGNMENT

Exhibit booths will be assigned with priority given to companies that are current NHCAA Platinum and Premier Supporting Members, NHCAA Standard Supporting Members and/or have purchased an upgraded “Exhibitor Package”. The remaining space will be assigned on a first-come, first-serve basis for fully-registered exhibitors. A company will be considered fully registered when the application form is returned with payment in full. In all cases, management retains the full and final authority to assign exhibitor booths.

CONDUCTING EXHIBITS

Character of the exhibits is subject to approval by Management. The NHCAA Institute reserves the right to curtail exhibits or parts of exhibits that are not consistent with the character of the meeting. This rule applies to discount offers, display literature, advertising novelties, souvenirs, conduct of persons, etc. Moreover, canvassing or distributing advertising matter outside the exhibitor's own space is not permitted.

Solicitations of business or Conference in the interest of business, except by exhibiting firms, are prohibited. Subleasing of exhibit space in the Expo Hall is prohibited.

EXHIBIT BOOTH - APPEARANCE AND NOISE

Exhibitors are expected to maintain the cleanliness and appearance of their exhibit space during official hours. In addition, no construction is allowed on the sides of any booth that would obstruct or interfere with adjacent booths. Exhibitors may not store packing crates and/or boxes in their booths during the show. These containers must be properly marked, and will be stored and returned to the booth after the show by the expo decorator/service contractor.

DEMONSTRATIONS

Sound demonstrations should not exceed 85 decibels and only qualified personnel should conduct demonstrations.

As a matter of safety and courtesy to others, exhibitors should conduct sales presentations and product demonstrations in a manner which assures all exhibitor personnel and attendees are within the contracted exhibit space and not encroaching to the aisle or neighboring exhibits. It is the responsibility of each exhibitor to arrange their displays, product presentation and demonstration areas to ensure compliance. Special caution should be taken when demonstrating machinery or equipment that has moving parts or any product that is otherwise potentially dangerous. Exhibitors should establish a minimum setback of three feet and/or install hazard barriers as necessary to prevent accidental injury to spectators.

SOUND/MUSIC

In general, exhibitors may use sound equipment in their booths so long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth rather than into the aisle. Sound and noise should not exceed 85 decibels.

Exhibitors should be aware that music played in their booths, whether live or recorded, may

be subject to laws governing the use of copyrighted compositions. ASCAP, BMI and SESAC are three authorized licensing organizations that collect copyright fees on behalf of composers and publishers of music.

EXHIBITOR INSTALLATION AND DISMANTLING

All displays must be installed during the designated times. All displays must be completely installed by **4:00 PM on Tuesday, November 3**. Exhibitors may not disturb or dismantle their exhibits until after the official closing. All displays must be completely dismantled between **1:00 PM - 4:00 PM on Thursday, November 5**.

EXHIBITOR PERSONNEL

At least one authorized representative must be at the display during all official hours of the Anti-Fraud Expo. All exhibitors must wear provided badges at all times during the Conference. Personnel not wearing a badge may be denied entrance to the Expo Hall or other Conference activities. Properly badged exhibitors may be admitted to the Expo Hall before or after official hours upon checking in with security or Management.
